General Comment

Stop trying to regulate my retirement money! I'm smart enough to handle my own money, my own 401k and my own retirement. You seem to think everyone is incompetent except you, and that's just not right. I've worked hard to find and save my retirement. How dare you butt in with your "regulations" about how I can use MY money. Isn't it enough that you already tax it to death upon withdrawal? Leave my money alone! Get your greedy government money-grubbing fingers out of my pockets and your eyes out of my life! I don't need or want your oversight on how I spend my money.
